Getting Started

Before you start playing, you'll need to assemble your melodica. This is a simple process that only takes a few minutes. First, insert the mouthpiece into the body of the melodica. Next, attach the air hose to the back of the melodica. Finally, insert the reed block into the front of the melodica.

Once your melodica is assembled, you're ready to start playing! To play a note, simply blow into the mouthpiece and press the corresponding key. The harder you blow, the louder the note will be. You can also control the pitch of the note by adjusting the position of your hand on the keys.
