About the Symposium

The 8th International Symposium IUKM 2024 is an esteemed gathering of industry experts, researchers, and thought leaders from around the globe. This three-day event will serve as a platform for knowledge sharing, collaboration, and the exploration of groundbreaking ideas in innovation and sustainability.

This year's symposium will focus on the theme of "Embracing Innovation, Fostering Sustainability." Participants will delve into the latest advancements in renewable energy, green technology, climate change mitigation, smart cities, and sustainable development. They will engage in thought-provoking discussions, present cutting-edge research, and forge connections that will drive innovation and shape a more sustainable future.

Key Topics

- Renewable Energy Innovations
- Green Technologies and Sustainable Solutions
- Climate Change Mitigation and Adaptation Strategies
- Smart Cities and Sustainable Urban Development
- Sustainable Development Goals and Implementation

Why Attend?

- Connect with industry experts and thought leaders
- Learn about the latest advancements in innovation and sustainability
- Share your own research and ideas
- Collaborate with others to develop innovative solutions
- Shape the future of innovation and sustainability

Call for Papers

The 8th International Symposium IUKM 2024 invites researchers, academics, and practitioners to submit their original research papers for presentation at the symposium. Papers can cover any aspect of innovation and sustainability, including but not limited to the following topics:

- Renewable Energy Innovations
- Green Technologies and Sustainable Solutions
- Climate Change Mitigation and Adaptation Strategies
- Smart Cities and Sustainable Urban Development

- Sustainable Development Goals and Implementation

Submitted papers will undergo a rigorous peer-review process. Accepted papers will be published in the symposium proceedings.

Important Dates

- Paper submission deadline: May 1, 2024
- Notification of acceptance: June 30, 2024
- Camera-ready paper submission deadline: July 31, 2024
- Symposium dates: November 11-13, 2024

Registration

Registration for the symposium is now open. Early bird discounts are available until August 1, 2024.

To register, please visit the following website:
