My principal is a superhero. She is always there for us, no matter what. She is kind, compassionate, and always has a smile on her face. She is the best principal a school could ever ask for.

I remember one time when I was in trouble. I had gotten into a fight with another student and I was feeling really scared. I didn't know what to do. But then my principal came to my rescue. She talked to me calmly and helped me to understand why fighting was wrong. She also helped me to make amends with the other student.

My principal is not just a superhero to me. She is a superhero to all of the students at our school. She makes us feel safe, loved, and supported. She is the glue that holds our school together.

I am so grateful to have my principal as my leader. She is a true inspiration to me and to everyone who knows her.

The Wonder Who Crew

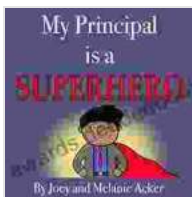

My principal is not the only superhero at our school. She has a whole team of superheroes who help her to keep our school running smoothly. This team is called the Wonder Who Crew.

The Wonder Who Crew is made up of teachers, staff members, and parents. They all work together to create a positive and supportive learning environment for all of the students at our school.

The Wonder Who Crew is always there for us. They help us with our homework, they listen to our problems, and they always have a smile on their faces. They are the best team of superheroes a school could ever ask for.

I am so grateful to the Wonder Who Crew for all that they do for us. They are truly the heroes of our school.

My principal and the Wonder Who Crew are the best. They make our school a safe, happy, and supportive place to learn. I am so grateful to have them in my life.
